WORKING PAPERS

A Strategic Environment: Community Conservation, Site Selection, and Spillovers in Eastern Zambia
Revise and Resubmit, Journal of the Association of Environmental and Resource Economists (JAERE)

- Investigates the environmental impacts of a conservation project in Eastern Zambia, and how community strategic behavior influenced conservation site selection.

Air Pollution Burden Around the World: Distributions, Inequalities, and the Economic Benefits of Clean Air
with Jere Behrman, Emily Hannum, Oscar Morales, Fan Wang

- Analyzes the global distribution of air pollution, the relationship between ambient exposure and income inequalities, and estimates the welfare costs of pollution.

Dynamic Fertility Intentions in the Aftermath of a Flood
with Leticia J. Marteleto, Alexandre Gori Maia

- Examines how fertility intentions evolved in response to a flood shock.

Increasing Pollution, Increasing Heat, and Rapid Rise of Compound Environmental Risks for Latin American and Caribbean Children
with Jere Behrman, Emily Hannum, Oscar Morales, Fan Wang

- Documents how exposure to air pollution, extreme heat, and both combined changed for children under five in Latin America and the Caribbean between 2000 and 2020, and how it differs across income, human development, remoteness, rurality, and Indigenous land.

Unfolding the Greener Path: A Global Subnational Analysis of the Environmental Kuznets Curve
with Jere Behrman, Emily Hannum, Oscar Morales, Fan Wang

- Provides a global analysis of the existence of an Environmental Kuznets Curve.

WORK IN PROGRESS

Air pollution and injuries in California
with A. Patrick Behrer, R. Jisung Park, and Paul Stainier

Chiefs and the local effects of Conservation policies
with Heather Huntington, Ezra Rwakazooba

The Comprehensive Impacts of a National Inclusion Policy for Students with Disabilities
with Virna Vidal Menezes

- Funded by the Kellogg Institute for International Studies, University of Notre Dame

RESEARCH EXPERIENCE

Doctoral researcher, NSF-funded PIRE Project 2023-2025
University of Houston

Title: Climate Risk, Pollution, and Childhood Inequalities in Low- and Middle-Income Countries.

Partners: World Bank, IDB, ADB, UNICEF, Regional Institute for Population Studies in Ghana, University of Pennsylvania, and the University of Houston.

Winter intern, Education Division 2024
Inter-American Development Bank, USA
Supervisor: Elena Arias Ortiz

USAID Impact Evaluation Team for the Community Forest Program in Zambia 2024-2025
Principal Investigator: Heather Huntington

Research Assistant for Chinhui Juhn and Yona Rubinstein 2021-2023
University of Houston, USA.

Graduate Research Assistant for FACEPE 2018-2020
Universidade Federal de Pernambuco, Brazil

Graduate Research Assistant at Núcleo de Estudos Regionais e Urbanos 2018-2020
Universidade Federal de Pernambuco, Brazil

Undergraduate Research Assistant at PET-Economia - UFPE 2014-2017
Universidade Federal de Pernambuco, Brazil

TEACHING EXPERIENCE

Instructor, Principles of Microeconomics, University of Houston. Fall 2023

Teaching assistant, University of Houston. Fall 2021-Present

Teaching assistant, Universidade Federal de Pernambuco Fall 2015, Fall 2016

PROFESSIONAL AFFILIATION & SERVICE

Referee: Environment and Development Economics

Member, Association of Environmental and Resource Economists (AERE)

CONFERENCE PARTICIPATION

ASSA 2027 Annual Meeting, January 2027

7th World Congress of Environmental and Resource Economists, June 2026

Population Association of America 2026 Annual Meeting, May 2026.

Royal Economic Society 2025 Annual Conference, June 2025.

Population Association of America 2025 Annual Meeting, April 2025.

STATA Texas Empirical Microeconomics Conference, November 2024.

Population Association of America 2024 Annual Meeting, April 2024.

COURSES AND WORKSHOPS

Data Matching event - Young Lives Group 2024
University of Oxford, England.

Evaluation of Public Policies and Social Projects 2020
Fundação Getúlio Vargas, São Paulo, Brazil.

AWARDS, GRANTS, AND FELLOWSHIPS

Best Poster Award, Population Association of America 2026 2026

Graduate Student Research Grant (with Virna Vidal Menezes), 2025

Kellogg Institute for International Studies, University of Notre Dame

Doctoral Student Tuition Fellowship, University of Houston. 2020-2025

Best Poster Award, Population Association of America 2024 2024

Cullen Fellowship Travel Grant, University of Houston 2024

Presidential Fellowship, University of Houston. 2020-2022

FACEPE Master's Scholarship, Universidade Federal de Pernambuco 2018-2020

Best Student Award (BA degree), Universidade Federal de Pernambuco 2017

CNPq Scientific Research Program, Universidade Federal de Pernambuco 2014-2017
